FITNESS & MWR · FURNITURE · STORAGE & ARMORY · FACILITY & INSTALL · COTS SUPPLY

COMPANY OVERVIEW

MYYR LLC is a Florida small business and registered federal contractor supplying commercial equipment and furnishings to Department of Defense installations and federal civilian agencies. We act as prime contractor on every award, source from authorized distributors and manufacturer dealer accounts, coordinate freight directly to the installation, and manage acceptance and invoicing through PIEE/WAWF. Every clause is reviewed and every product confirmed in production before we quote.

CORE CAPABILITIES

Fitness and MWR equipment

Cardio and selectorized strength, sports, recreation and A/V for gyms, MWR and unit fitness rooms.

Furniture and furnishings

Office, barracks, lodging, classroom and dining furniture with Buy American compliance confirmed.

Storage and armory systems

Universal weapon racks, high-density mobile shelving, TA-50 and mailroom lockers, quoted to spec.

Facility and installation work

Installation, removal and haul-away, renovation scopes through licensed plumbing, electrical and gas partners.

DIFFERENTIATORS

- Owner-run: one point of contact from quote to closeout, direct accountability on every delivery.
- Authorized-source pricing with the manufacturer's warranty intact; no gray-market product.
- Plain-English clause review before submission, so what is quoted is what is delivered.
- Built for federal work from day one: SAM, CAGE, resale certificate and WAWF in place before the first bid.
- Installation and labor scopes priced in through vetted subcontractors, so mixed requirements stay a single award.

PAST PERFORMANCE

U.S. ARMY · LETTERKENNY ARMY DEPOT, CHAMBERSBURG PA · 2026

MWR equipment package, contract W911N226PA017

27-line fitness, sports, recreation and A/V package sourced across 12 suppliers, dropshipped to the depot, inspected and accepted at destination. Two modifications executed for approved substitutions. Invoiced through WAWF and paid in full.
